

# MY RECORD FOR THE BOOK OF LIFE

This is to acknowledge that

Name(s): \_\_\_\_\_

I am (we are) committed to the inevitable actualization of God's Kingdom on Earth  
through the Free Will of each and every individual.

As of this date, I (we) choose the True Reality of our Creator's True Love as the center  
for all human activity.

I (we) reject slavery under the "god of this world" and choose instead to be God's child  
(children) here, now and forever.
